DE GRANADA

La Facultad de Farmacia

Le invita a la conferencia:

“The traditional use of medicinal plants in Albania and Macedonia”

Por **Ani Bajrami**

Faculty of Natural Sciences - University of Tirana (Albania)

Fecha: 18 de mayo de 2018

Hora: 10:00 horas

Lugar: Salón de Grados - Facultad de Farmacia

TFG: 1 punto

Sobre la ponente:

Dr. Ani Bajrami is a lecturer in Principles of Anthropology at the University of Tirana and works as a researcher at the Research Center of Flora and Fauna.

Her key research interests include traditional ecological knowledge and environmental adaptations using evolutionary ethnobiology framework. She has conducted ethnobotanical research with her fellows botanists in Southern Albania and Macedonia regarding the traditional use of medicinal plants from society members and traditional healers.
